

Week 1 spelling due – 19th June Week 2 grid due – 26th June

Instructions Students have activities to complete over a period of a fortnight. These are explained in each box below. Some activities are practising core subjects, while others may promote living skills or research activities. The student summarises in each section how they completed each activity eg. Physical Activity– I walked my dog....or tick the completed box. On the Friday of the first week of the grid, the spelling practice is the only activity that must be returned. This is so the next week's spelling can be entered. On the second Friday all of the activities must be returned.
